Here, at Path Networks Solutions invoices are accompanied by detailed statements with the individual line counts for each file transcribed during that month.

Testimonials

1. The main advantages I have found with Path Network Solutions is the accuracy of transcripts, the turnaround time of less than 24 hours and their prices which are very competitive. We can email or call them 24 hours a day. We are obviously very happy and I would certainly recommend you guys without any reservations.

Jithendra Rai, MD

2. I have been very happy with Path Network Solutions transcription Services. The transcriptions are very accurate, timely and we have exceptionally good customer service. I would highly recommend their services.

Heather Szymczak, PA-C

3. We were using another service that took over a week to return our records. With Path Network Solutions overnight turnaround, we feel we can provide better patient care, for less money! We wish we would have known about your services a long time ago.

Linda Benjamin, Office Manager
